From the mouths of some of our expectant mother's...

"Wow! What a fun surprise. My curiosity is peaked and I am wondering if I have already said something to you about it. This was completely unexpected, and it made my day." - Kari

"I am a mom-to-be, and received my first package from my Secret Stork...Please let them know that we love surprises, so this is such a great idea and we had never heard of it. My husband and I are super excited to find out who they are! Kudos on this creative gift idea!!! :) " - Monica

"We cannot even express to you how excited we were to get our "secret stork" gift in the mail! Thank you so much for thinking of us at such an exciting time in our lives, we are truly grateful to be surrounded by such great people :o) We can't wait to find out who you are! We loved the handprint gift-pack... such a cool idea! Again, thank you for thinking of us in such a special way. We are truly excited to have you as our "secret stork"! We look forward to receiving more things in the mail :o) I think this may be the only time we race each other to the mailbox!" -Kendall

*Congratulations are in order for mommy and daddy to be
A little bundle of joy on its way for us to see
This child is a blessing from God above
Brought into this world because of your love
I am your Secret Stork until the baby arrives
Helping you get ready for the change of your lives*

And a few words from the experiences of some of the secret storks themselves...

"I was so excited to discover the secret stork service. I really wanted to show my godchild how excited I was for him and his wife to be expecting their first child. This time in their lives is so special and through this service I was able to feel such a part of their experience." - Theresa

"When I found out my friend was pregnant I couldn't wait to get her something unique that no one else would get her. That's when I discovered Your Secret Stork. It was perfect. She loved it so much. It was so emotional when I revealed my secret at her baby shower." - Amanda
